

From: Mark and Cindy Fahey, Long Pond

Date: June 29, 2010

Hello, I am sorry to report there have been two more thefts on the Pond. A fishing boat that was in the water and tied to a dock was taken this past week. The thieves also broke into the shed and took the gas can and life jackets. The boat would have had to be taken out at the boat ramp. At another place on the pond there was a boat trailer stolen. This makes 1 canoe, 2 fishing boats, and a boat trailer that have been stolen from Long Pond residents in the past few weeks. The thefts have all been on the south end of Lloyd Watson Road. Also, I talked with one of the Parsonsfield selectmen today, and he said that his canoe was stolen right out of his yard.

In light of all of the above, the sheriff has offered to come and speak with us at the Long Pond Meeting this Saturday at 10:00 a.m. at the Boys' Camp so we will add him to our speaker list. In the meantime, you might want to secure your boats and trailers plus keep your cabins locked.

See you Saturday,

Cindy Fahey,
Long Pond Association
